DIGITAL LITERACY AWARENESS

WHAT DIGITAL LITERACY IS ?

Digital literacy is the ability to confidently, safely, and critically use technology—including computers, smartphones, and the internet—to find, evaluate, create, and communicate information.

USEFUL DIGITAL TOOLS FOR STUDENTS

- Google Docs – assignments
- Canva – presentations
- GitHub – projects
- Zoom – communication

SAFE INTERNET PRACTICES

- Strong passwords — Use unique passwords for every account.
- Avoid suspicious links — Don't click unknown or unverified links.
- Stay private — Never share personal info online with strangers.

Be Smart, Stay Safe Online!
